The Strides

Editorial

Dear readers,
Greetings of the day!!
You have in your hands, 'The Strides'
Trinity Adventist Academy's debut
hand written magazine. The name itself
has the meaning, walk with long decisive
steps in a specified direction. This
magazine reflects the potential of our
students and the growth of our school.
We are extremely pleased to present this
before you.

This magazine is the outcome of the
immense effort put forward by our little
talents, staff and parents. Thank you all
for your seamless support rendered to us.
We have for you, from the students a
wide range of poems, stories, drawings,
interviews and much more. Enjoy every
page of 'The Strides'.

Happy Reading !!!

Message From the Chairman

It was so pleasurable to watch the progress of the "STRIDES" produced by the Trinity Adventist Community to showcase individual talents embedded in our staff and students. The performance of our young minds is commendable. I never knew such talents were hidden in their young mind. Thanks to the original promoters for thinking about the idea and teachers for encouraging students, editors, designers, and compilers to create a world-class institutional magazine.

Above all, your encouragement to the little ones will boost their morale, and its effects will go a long way in their life.

Wish you all the best.

Message From Head Teacher

I am greatly honoured to be a part of the pioneer handwritten magazine of our school, 'The Strides'.

This exclusive handwritten magazine is a testament to the creativity and talents of our students and it showcases a wide range of interests and passion that exist in them.

In this adventure, I extend my support, encouragement and appreciation to our students as well as to the Editorial Board for their sincere hardwork and incessant efforts in making this magazine a success.

Let this humble beginning be a great inspiration to our young ones.

MESSAGE

It is my pride to write down a message for the annual school magazine 'The Strides' of Trinity Adventist Academy, Mavelikkara. I'm so happy to know that this magazine is entirely hand written by the students of this school.

School magazines have a great educational value. Moreover, this special handwritten magazine helps the students to enhance there inborn talents. Infact, the students get the first exposure of their talents through this medium.

I look forward to see that this publication would be a great achievement for the students.

My heart felt wishes for this endeavour.

ഒരു മരണാനേലിൽ അൽപ്പനേരം...

പ്രശസ്ത ഏഴുത്തുകാരൻ ഫ്രാൻസിസ്. ടി. മാവേലിക്കരയു മാതൃകയ്ക്കു അഭിമുഖം.

അഭിമുഖ ചോദ്യകർത്താക്കൾ:-

അനാമിക് സമ്പൂർണ്ണ, നേഹ ജലീൽ.

അനാമിക്:- സാറിനെ ഒരു കഥാകൃത്ത് ആക്കുവാൻ ഏതു കാര്യം കൂടുതൽ പ്രചോദനം നൽകിയത് ആർ?

പഠിക്കുന്ന കാലഘട്ടത്തിൽ ഇല്ലാത്ത കഥകൾ ഞാൻ ഉണ്ടാക്കി പറയുമായിരുന്നു. ചെറുപ്പം മുതൽ തന്നെ കഥകൾ പറയാൻ ഇഷ്ടമായിരുന്നു. പിന്നീട് അത് ഗൗരവമുള്ള ഏർപ്പാടാക്കിയത് നാടകങ്ങൾ ഏഴുതികൊണ്ടായിരുന്നു. അച്ഛനും അമ്മയും അച്ഛന്റെയും ഒക്കെ പ്രോത്സാഹനം തരുമായിരുന്നു.

നേഹ:- സാർ എത്രയും വയസുമുതലാണ് നാടകങ്ങൾക്ക് കഥ എഴുതാൻ തുടങ്ങിയത്?

പതിനേഴാം വയസുമുതൽ ഞാൻ നാടകകൃത്താണ്. കൂടാതെ ഞാൻ ഏഴുതിയ നാടകങ്ങൾ സംവിധാനം ചെയ്യാനും അഭിനയിക്കാനും തുടങ്ങി.

അനാമിക്:- സ്കൂൾ, കോളേജ് കാലഘട്ടങ്ങളിലെ സാറിന്റെ കലാ രംഗത്തുള്ള പ്രവർത്തനം എങ്ങനെയാണിരുന്നത്?

സ്കൂളിൽ പഠിക്കുമ്പോൾ അത്യാവേശം പാടാമായിരുന്നു. കൂടാതെ പാർട്ടി മുഖ്യാനത്തിന്റെ ഭാഗമായി തെരുവു

നാടകങ്ങൾ നടത്തുമായിരുന്നു.

നോഹ: - ഒരു കഥ എഴുതി തീർക്കാൻ സാറിന് എത്ര സമയം വേണ്ടി വരും ?

കഥ പോലീസിൽ എഴുതുന്നത് അല്ല, ഏതൊരു കഥയും നമ്മൾ എഴുതുന്നത് നമ്മുടെ മനസ്സിലാണ്. നമ്മുടെ മുമ്പിൽ ഒരു ആശയം രൂപപ്പെട്ടാൽ അത് മനസ്സിൽ ആവർത്തിച്ച് എഴുതുകയും പരിഷ്കരിക്കുകയും ചെയ്തതിനുശേഷം, എനിക്ക് രണ്ട് മണിക്കൂർ നാടകം പോലീസിൽ എഴുതാൻ എട്ടോ പത്തോ ദിവസം വേണ്ടിവരും. ചിലപ്പോൾ ഒരു മാസം വരെ നീണ്ടു പോകും.

അന്നാമിക: - സാർ ആദ്യമായി എഴുതിയ നാടകം ഏതാണ് ?

കെ.പി.എ.സി സുലോചനയുടെ സംഘത്തിനു വേണ്ടി 1984 ൽ എഴുതിയ നാടകമാണ് സൂര്യകാന്തം. അതാണ് ആദ്യമായി പ്രൊഫഷണലായി എഴുതിയ നാടകം.

നോഹ: - സാറിന്റെ നാടകങ്ങൾ തന്നെയാണോ പിന്നീട് സിനിമയാക്കി മാറ്റിയത് ?

രണ്ട് സിനിമയാണ് ഞാൻ എഴുതിയിട്ടുള്ളത്. അതിൽ ഒന്ന്, വെണ്ടർ ഡാനിയേൽ ഒരു നാടകമായിരുന്നു. എന്നാൽ പാച്ചുവും കോവാലനും സിനിമയ്ക്ക് വേണ്ടി എഴുതിയതായിരുന്നു.

അന്നാമിക: - ഏതെങ്കിലും നാടകങ്ങളിൽ സാർ അഭിനയിച്ചിട്ടുണ്ടോ ?

ചെറുപ്പത്തിൽ അഭിനയിച്ചുണ്ട്. അഭിനയം എനിക്ക് ഒരു പാഷണല്ല.

നോഹ: - നാടക രചനയാണോ സിനിമ തിരക്കഥയാണോ സാർ ഏറ്റവും കൂടുതൽ ആസ്വദിച്ചു ചെയ്യുന്നത് ?

നാടകരചനയാണ്. നാടകം ഒരു റിസ്ക് ഉള്ള കലയാണ്. സിനിമ ഒരു സാങ്കേതിക കലയും. സിനിമയ്ക്ക് കട്ട് പന്യാം. ഏകദേശം നാടകം പൈവായി പെർമോ ചെയ്യണം.

അനാമിക്: - സാർ ഏഴുനിയ 350 ഓളം നാടകങ്ങളിൽ സാറിന്റെ ഹൃദയത്തോട് ചേർന്നു നിൽക്കുന്ന നാടകം ഏതാണ്?

350 നാടകങ്ങളും ഏന്റെ ഹൃദയത്തോട് ചേർന്നു നിൽക്കുന്നവയാണ്. ഇരട്ട്ചെയ്യാതെ ഒന്നും നമുക്ക് ചെയ്യാനവില്ല.

നേഹ: - വളർന്നു വരുന്ന കുട്ടികളായ ഞങ്ങളെ പോലുള്ളവർക്ക് സാറിന് നൽകുവാനുള്ള ഉപദേശം ഏതാണ്?.

ധാരാളം വായിക്കണം, വാർത്തകൾ കേൾക്കണം, സിനിമ കാണണം. ജീവിതം ഒരിക്കലും അപസമാധി കാണാതെ പരിശ്രമിക്കണം. ചെറുപ്പം മുതൽ തന്നെ ലക്ഷ്യം നേടാൻ ശ്രമിക്കണം.

THE LOVE OF PETS

So many years ago a lady named Ani lived in a small village with her 58-year old husband Joseph. Joseph & Ani had a beautiful bird called Sweety and a friendly dog called Lucky. Sweety & Lucky were very happy and good friends. The old lady's and her husband Joseph's son called Ram worked hard and send lots of money to them. They were very nice people and they spend money very carefully.

They looked after Sweety & Lucky very well. They gave Sweety and Lucky very rich foods that's why Lucky and Sweety were very happy.

After many years Ani turned 68 and Joseph turned 72. They became very weak and tired. They were not able to cook food. But no servants or helpers were there to help Ani & Joseph.

At the same time Lucky & Sweety were very sad because no one looked after them well.

The food for Ani, Joseph, Lucky & Sweety was from the neighbour's home. Then Ani & Joseph decided to call a rich man and his wife. Joseph said "we are very tired so we think you may take over Sweety and Lucky." The rich man said "Yah we will take Sweety & Lucky."

After sometimes the rich man and his wife took Sweety & Lucky to their home.

The next day, the rich man called Joseph and said "Sweety and Lucky are not eating anything and they are very sad. We think they want to see you both". After hearing that Joseph & Ani became very sad and Joseph called the rich man and said "Please come here and give our Sweety & Lucky back". Then the rich man accepted Joseph's request.

After 1 hour the rich man and his wife came to Joseph's home and gave back Sweety & Lucky. Then said "This is the **love of pets**. Suppose they live with us forever, in their mind they must have the love for you both Ani & Joseph". Then the rich man and wife went back.

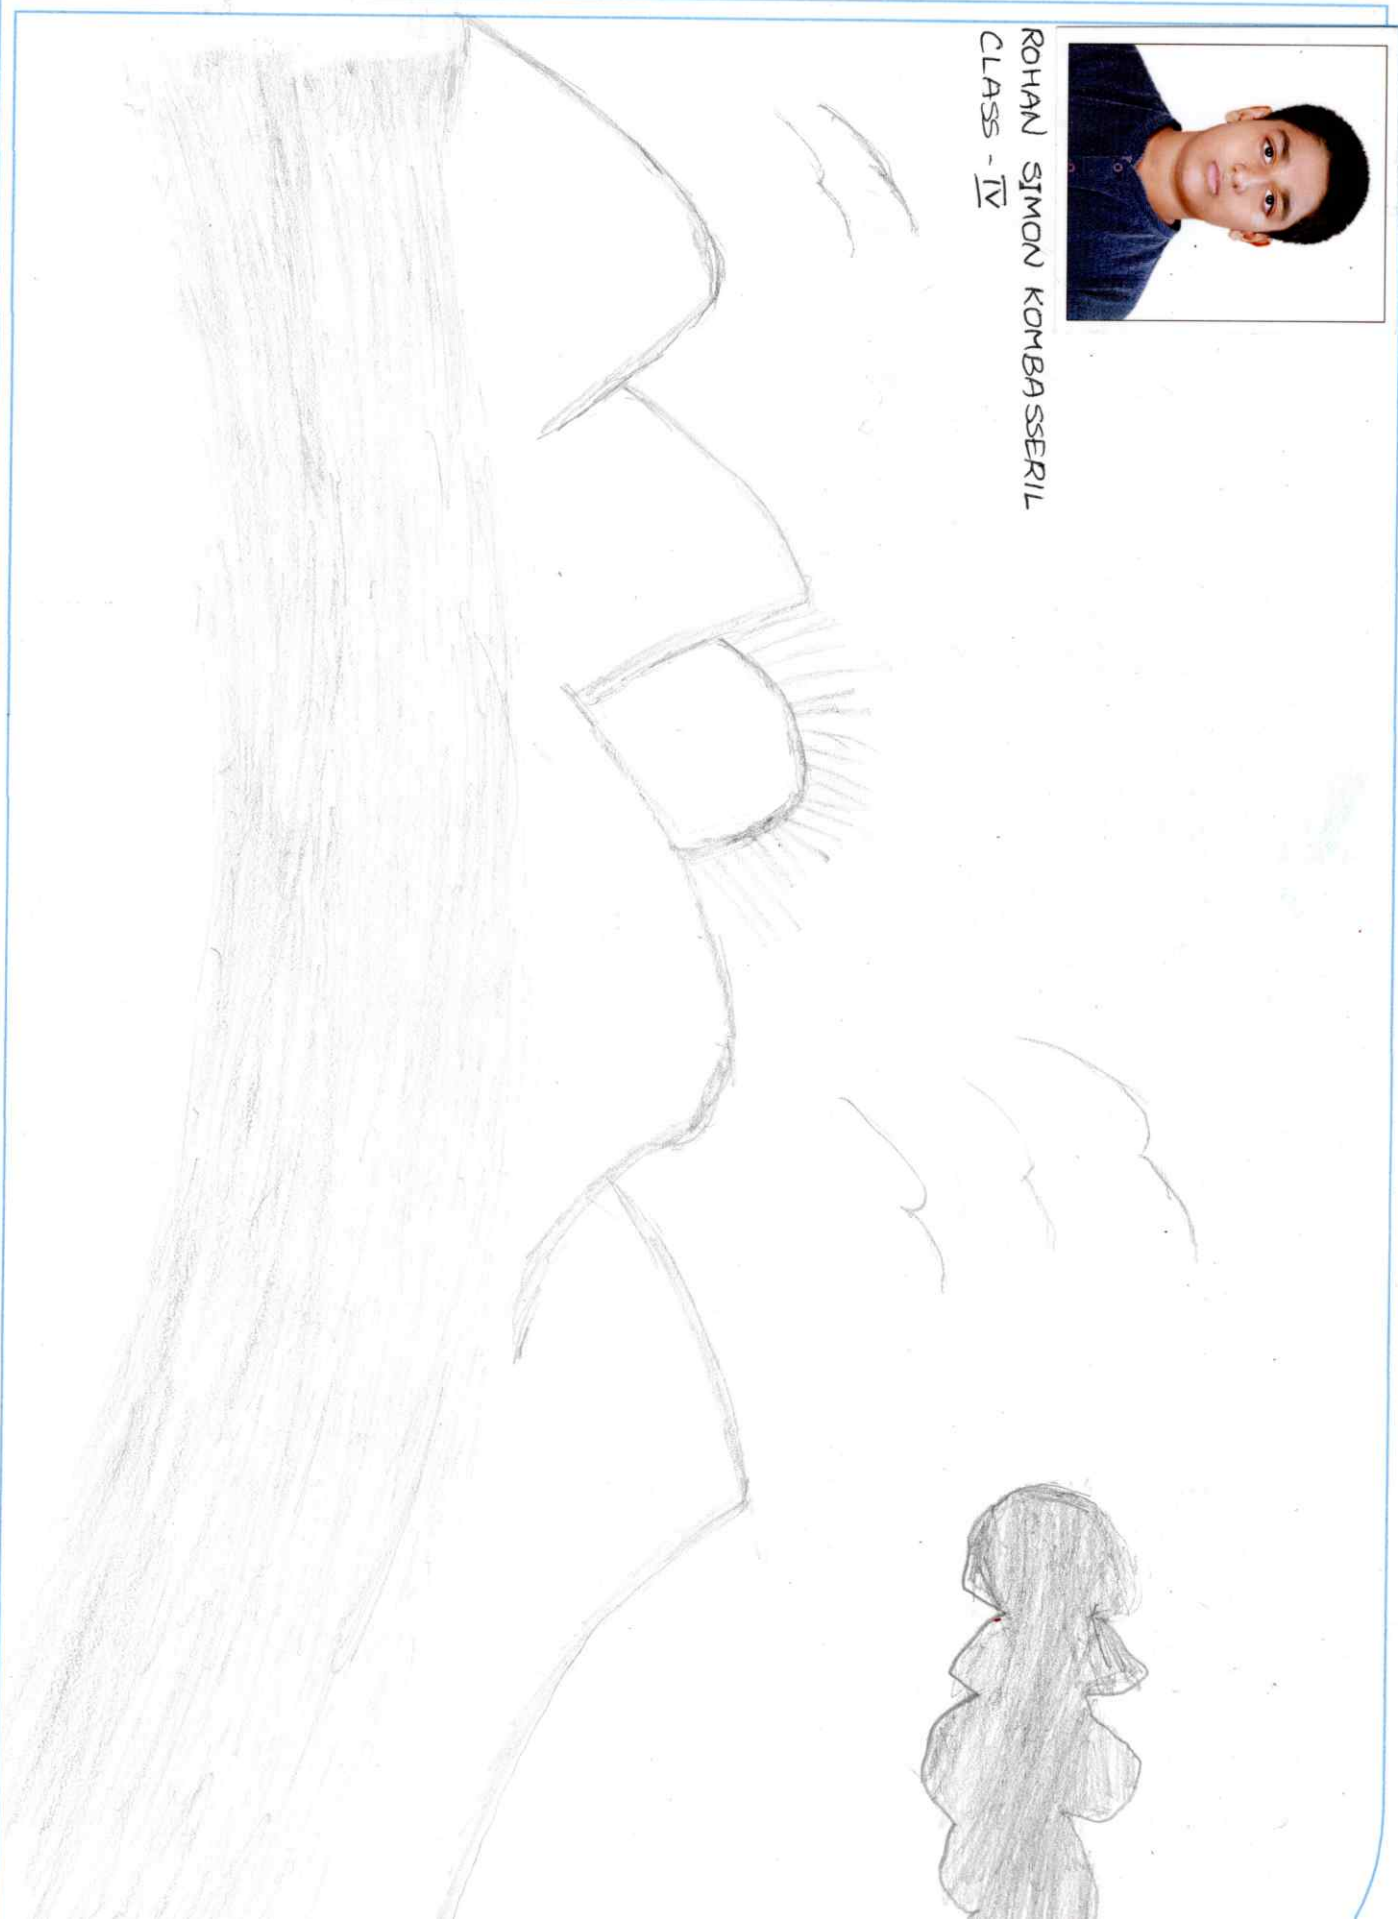

After that Joseph & Ani arranged a nice helper called Meena who took care of Ani & Joseph. She also looked after Sweety & Lucky very well.

After that lucky and Sweety lived very happy.

Chat with Doctor

Naomi : Hi everybody, we are the most scared when we go to the doctor's office. What if the doctor comes to our school?

Yohaán : Thank you Dr. Arun Cherian Mammen for accepting our invitation on behalf of TAA. We would like to ask you few questions regarding common doubts we have.
Is playing too much bad for us?

Dr. Arun : Playing is not at all bad for you. As you all have heard the saying, 'All work and no play makes Jack a dull boy'. So we must study during the study time and play during the play time. But what you should remember is that in this modern era, playing doesn't mean playing on your tablet or mobile. Playing means physical activity. You have to spend 1-1.5 hours outside.

Naomi : Is peanut butter and Jam healthy for us ?

Dr Arun : Peanut butter and jam can be commercially made or home made. Not all commercially made jams are good for you. You must check the ingredients when you buy a jam from the market. High sugar content, preservatives are not good for you. But home based jams and peanut butter are healthy and good for you.

Yahaan : What is better, eating slow or fast ?

Dr. Arun : When you eat food you must chew your food properly. So when you eat you must take your own time to chew it properly to reduce the workload of your stomach. Imagine if you do not chew your food and you gulp it down, your stomach has to do extra work to digest it. You must eat your food within 20-25 minutes. Fast eating is not recommended at all.

Yohaam : Why should we take painful vaccinations ?

Dr Arun : Vaccinations are good for you. They protect you from deadly diseases. We have all heard about polio, right. What happens when you get polio. A part of your body becomes paralysed or weakness occurs which lasts life long. By effective vaccination we could reduce the incidence of polio, i.e, we are not seeing any polio cases now. The prick of a vaccine is just as painful as an ant bite. Enduring that pain you will be protected against deadly diseases.

Naomi : Why does my mother scold me when I bite my nails ?

Dr Arun : Biting your nails is not healthy. It is because we have nails at our fingertips. When do our chores or touch things with our hands, all the dirt, the germs etc get under our nails. When you bite your nails, these go into your mouth and from there into your stomach and body and can cause illness.

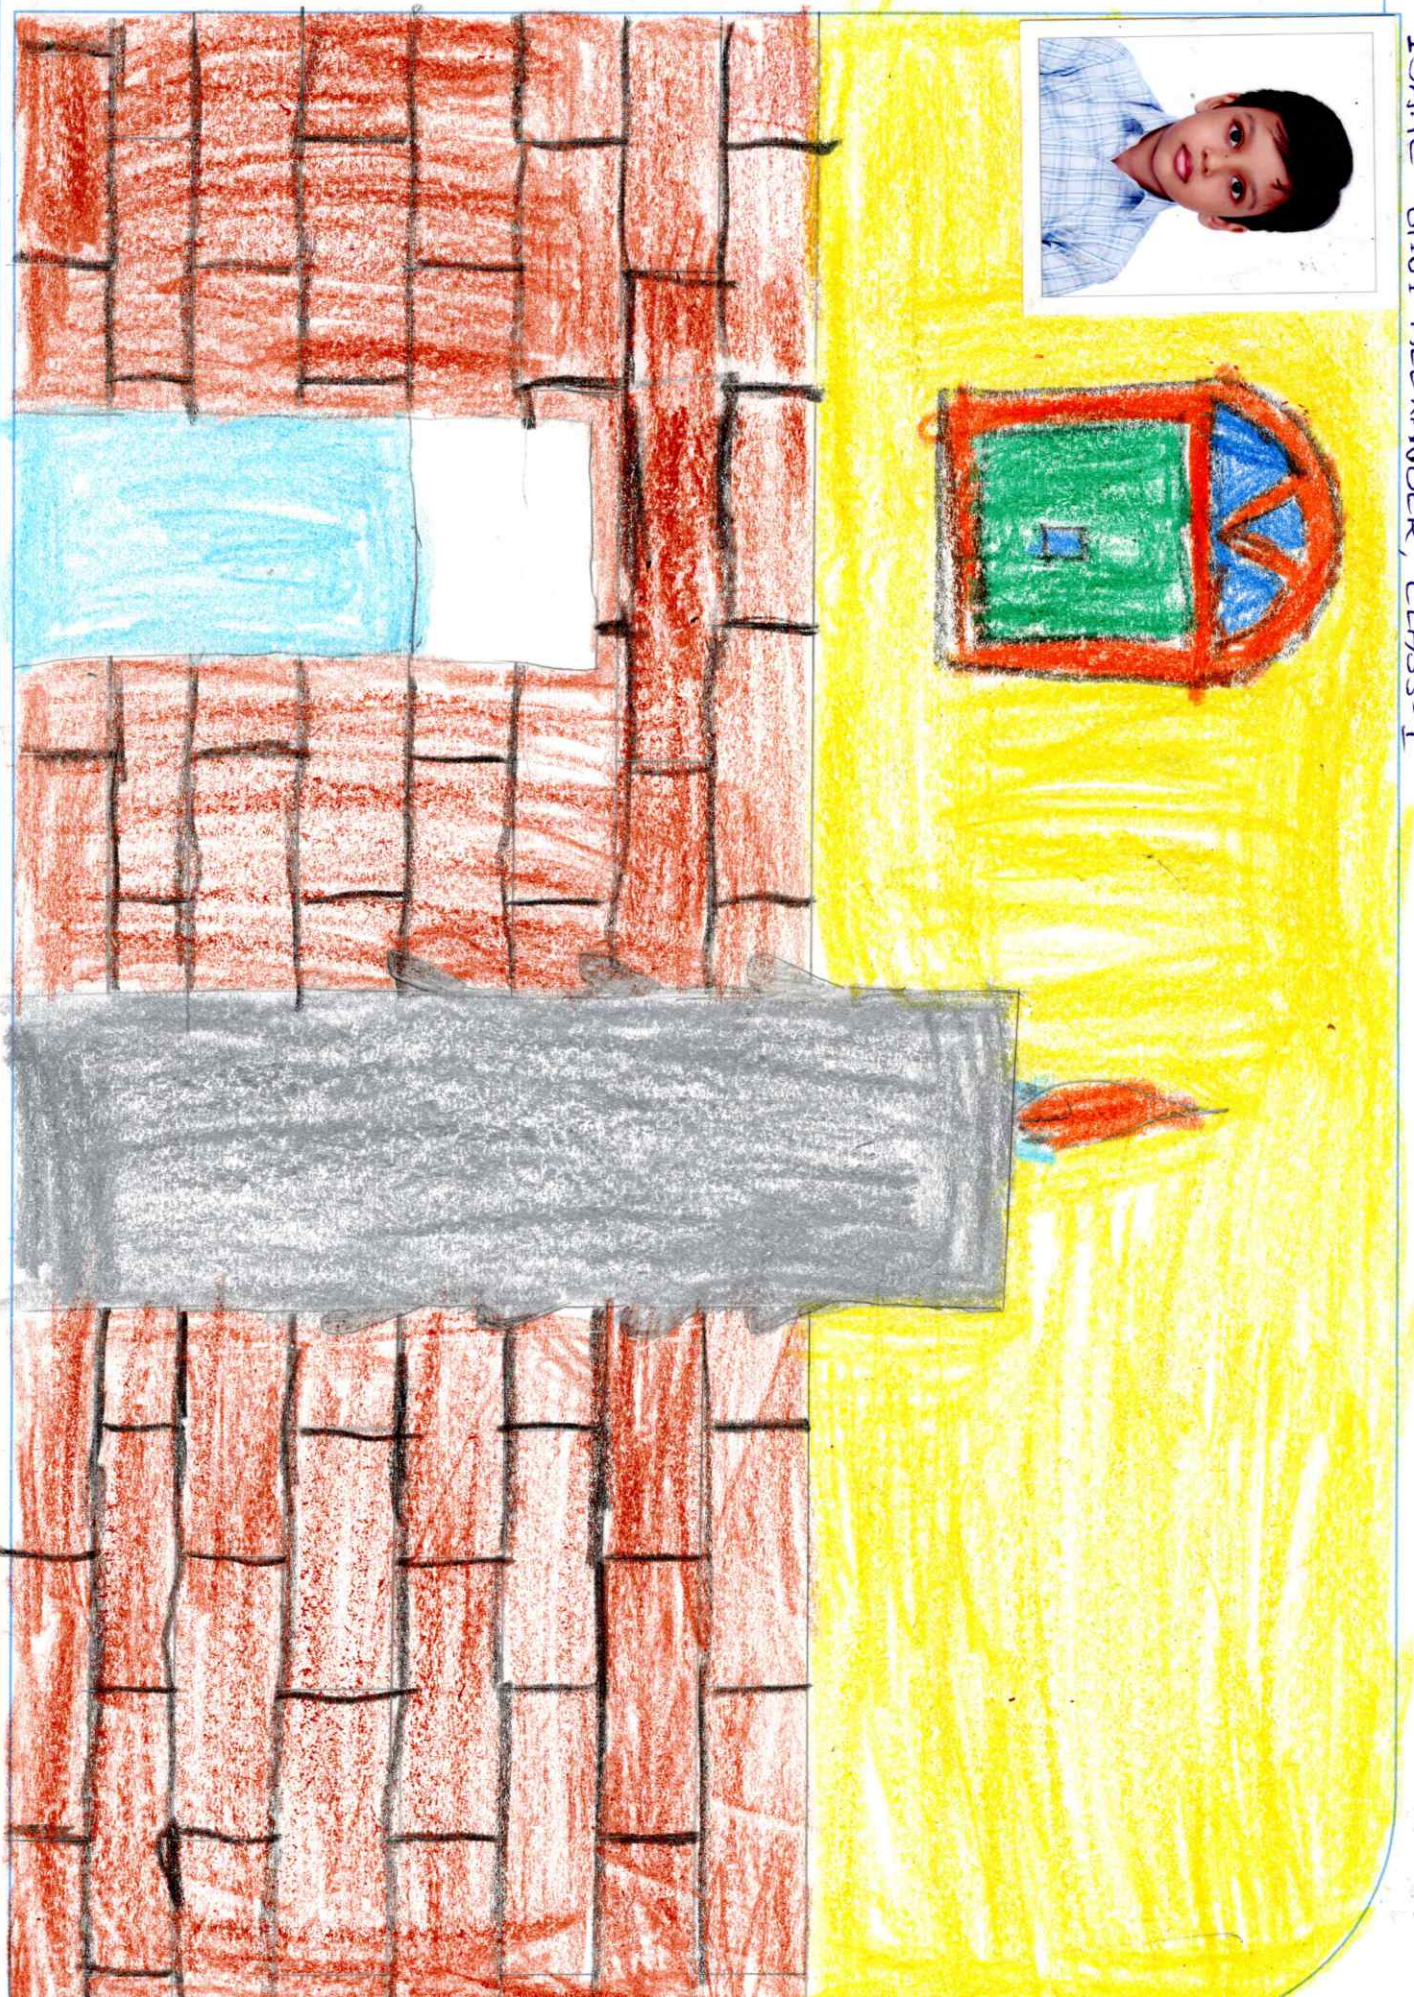

Yokaan : Why do doctors check our weight and height when we visit them.

Dr. Arun : Height and weight of a child is very important for us pediatricians. For example, if a 4 year old child comes to my OP, I am expecting him to weigh 16 kg. and 100 cm height. If he is not 16 kg or if he is not around 100 cm I am sure there is something wrong with his health. So I will check his eating habits and check for any diseases. Moreover we prescribe medicine does according to the weight of a child.

Naomi : Is it ok if we cry or get angry ?

Dr. Arun : No, crying or getting angry is a way to vent out your emotions. But crying or getting angry at very small incident is not good. For example, if your teacher or parent scolds you, you should not get angry because they scold you, so that you grow up to be good human beings. Crying when you are sad is good to vent out your feelings.

Lionel Messi's story ...

Once upon a time in Argentina there was born a child called Lionel Andress Messi. He loved football. One day when he was going to watch a football match with his father, one of the team did not have enough players so they asked Messi.

Then Messi went to play and by seeing his performance the team bought him. Then he knew that he had a height problem. Barcelona came to buy Messi. Then Messi played for Barcelona.

After many years P.S.G bought Messi. Now Messi has 8 ballond'or and many other trophies. In 2021 Messi led ~~the~~ Argentina to win Copa America and to win the World cup in 2022. In the 21st century Messi is ^{the} best player.

The Hungry Wolf

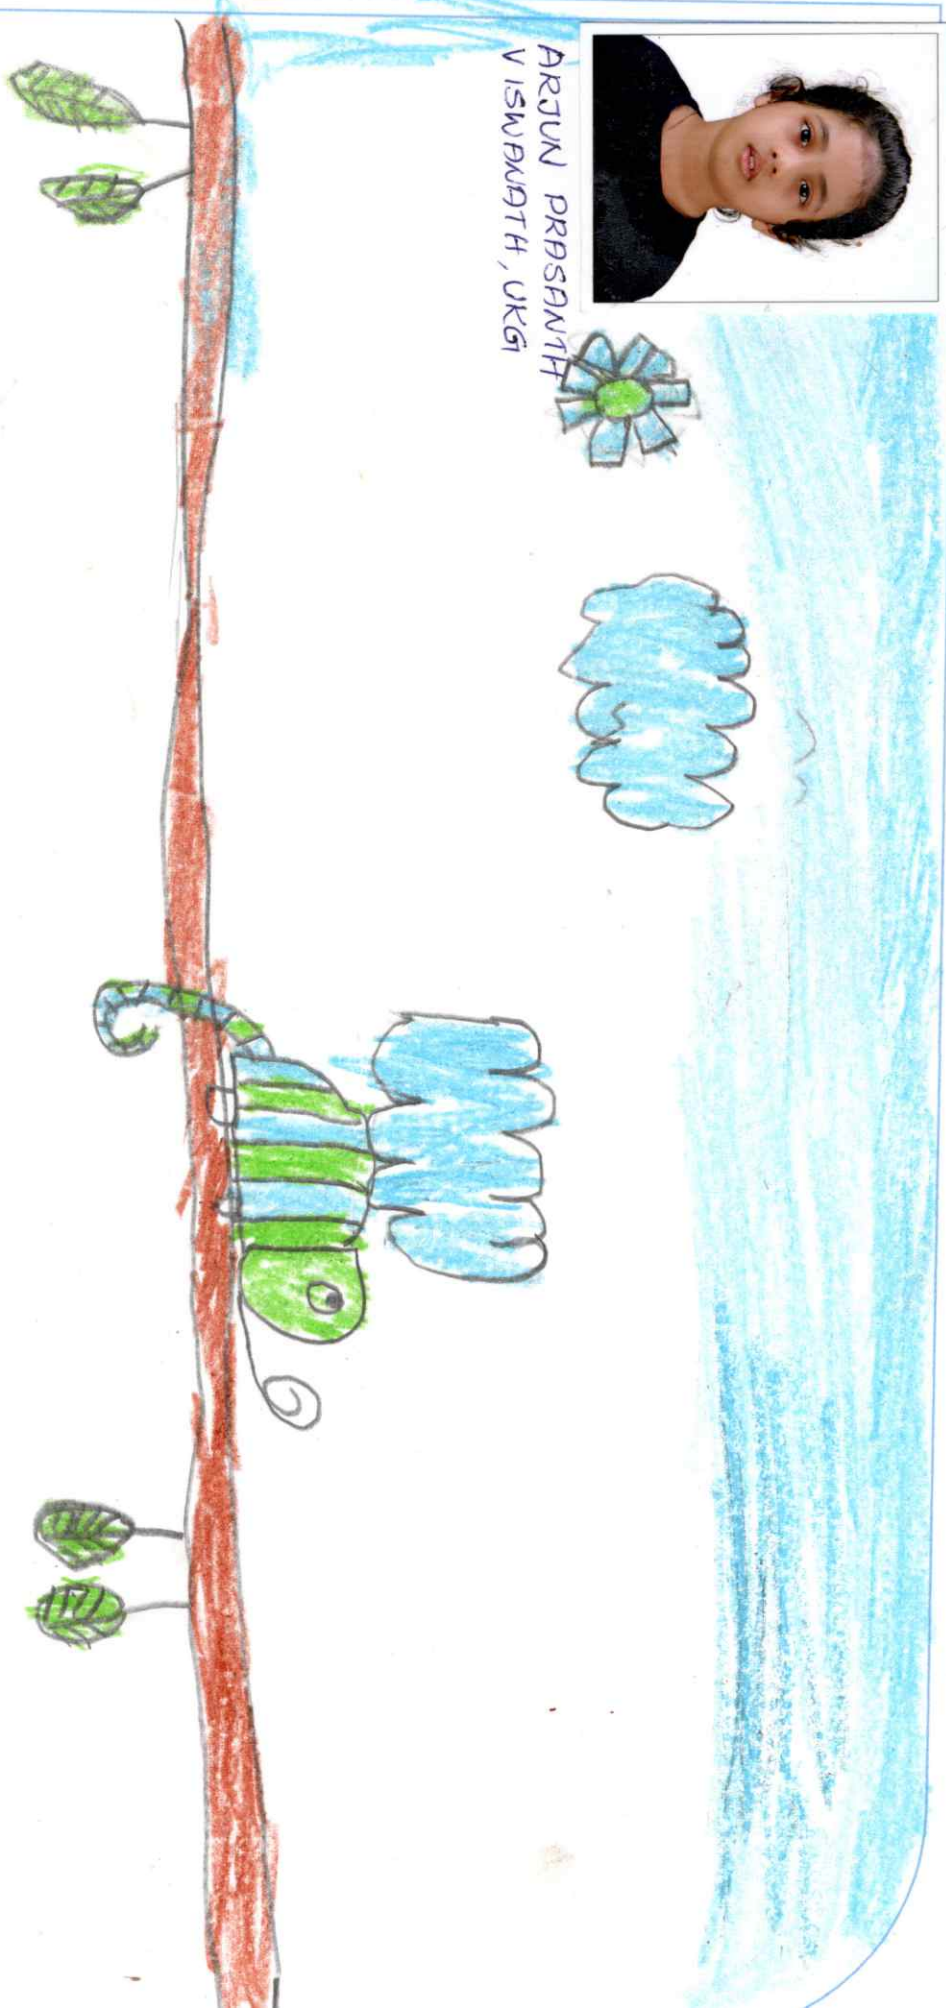

Once upon a time, there lived a wolf by the river. He was very frail and weak as he hasn't had any food in a very long time. One day he asked his friend the lion for some food but the lion never shared. The wolf went to a wild buffalo also said no. The wolf was heart-broken by this. Then his friend the jackal saw the wolf and saw he was weak. The jackal was the wolf's dearest friend so the jackal got the wolf some food. The wolf was thankful and said bye to the jackal.

Moral of the story: We should always be kind and helpful to others as they will help us back and will treat us like a true friend.

ഓർമ്മകളിലൂടെ...

എന്നെ ഞാനാക്കിയ എന്നിടല അ-
 ധ്യാപികയ്ക്ക് തുടക്കം ഇട്ട, എന്റെ വിദ്യാലയജീവിതത്തിലെ
 ഒന്നാം ദിവസം. സൂപ്പർ ജില്ലയിലെ കുന്നംകുളത്ത് ബഹുനി-
 ഗേൾസ് എൽ.പി സ്കൂളിലായിരുന്നു എന്റെ വിദ്യാഭ്യാസത്തി-
 ന്റെ തുടക്കം. രണ്ട് വർഷത്തെ ഡ്യൂ ജോബ്, കളിക്ടർക്ക് ശേഷം
 എന്നെ ആദ്യമായി കൊണ്ട് ചേർത്തത് യു. കെ. ജി യിൽ
 ആയിരുന്നു. അതിന്റെ ചെറിയൊരു അപകാരവും ക്ലാസിൽ
 ഇരുന്നപ്പോൾ എനിക്കുണ്ടായിരുന്നു.

വലിയ ഉത്സാഹത്തോടെ, ഒരു കവർ വിരയി-
 യും ബാഗും, കൂടലും ഒക്കെ ആയിട്ടാണ് ഞാൻ എന്റെ ചാച്ച
 ന്റെ കൂടെ സ്കൂളിലേക്ക് പോയത്. അവിടെയെത്തിയപ്പോൾ
 അത്ഭാ! നിൽക്കുന്നു ഡ്യൂ ജോസിൽ എന്റെ കൂടെ ഉണ്ടായിരുന്ന
 എന്റെ പ്രിയ കൂട്ടുകാരി ചിത്ര. ചിത്ര അവളുടെ അമ്മയുടെ
 കൂടെയാണ് വന്നിരിക്കുന്നത്. അവളെക്കണ്ടപ്പോൾ എനിക്ക്
 കൂടുതൽ ആത്മവിശ്വാസം വന്നപ്പോലെ തോന്നി. എല്ലാ കു-
 ടികളും ക്ലാസിൽ പോയി ഇരിക്കാൻ തുടങ്ങി. അമ്മമാർ വിട്ടി-
 ട്ട് പോകുമ്പോൾ എല്ലാ കുട്ടികളും വലിയ വായിൽ കരയുന്നൂ-
 ന്ദായിരുന്നു. എന്റെ ചാച്ചനും ചിത്രയുടെ അമ്മയും ക്ലാസിൽ
 നിന്ന് ഇറങ്ങാൻ തുടങ്ങി. ചിത്രയ്ക്ക് കരച്ചിൽ വരുന്ന പോ-
 ലെ എനിക്ക് തോന്നി. ഞാൻ അവളോട് പറഞ്ഞു. എൽ. കെ.
 ജി. പഠിക്കാതെയാണ് നമ്മൾ ഇവിടെ വന്നിരിക്കുന്നത്. അതു
 കൊണ്ട് നമ്മൾ കരയാൻ പാടില്ല. അത് പറഞ്ഞതിനുശേഷം
 അവളും കരയാതെ പിടിച്ചു നിന്നു.

നിരനിരയായി ക്ലാസിൽ ബഞ്ച് നിര-

ത്തിയിട്ടിരിക്കുന്നു. ഞങ്ങൾ ഒന്നാം ബെഞ്ചിൽ തന്നെ സന്താനമുറപ്പിച്ചു. ടീച്ചർ വരുന്നതിന് മുൻപ് തന്നെ ബാഗിൽ ഉണ്ടായിരുന്ന കവറിനെ മിഠായി പുറത്തെടുത്ത് ദാഹനമായി ഞാനും ചിത്രയും കഴിക്കാൻ തുടങ്ങി. ചേർത്തിട്ടുള്ള വരുന്നവർക്ക് മിഠായി കൊടുക്കാനും തുടങ്ങി.

ടീച്ചർ ക്ലാസിൽ വന്ന് കുട്ടികളെ പരിചയപ്പെടാൻ തുടങ്ങി. ടീച്ചറിന്റെ ചേർ ലിസ്റ്റി. എന്റെ ടീച്ചറിന് പൊക്കം കുറവായോ എന്ന് എനിക്ക് തോന്നി. പാവമായിരുന്നു എന്റെ ടീച്ചർ. എനിക്ക് ടീച്ചറിനെ ഒത്തിരി ഇഷ്ടപ്പെട്ടു. പാട്ട് പാടാൻ അറിയുന്നവർ ഉണ്ടോ എന്ന ടീച്ചറിന്റെ ചോദ്യത്തിന് ഞാൻ എഴുന്നേറ്റ് നിന്നു. പാടി കഴിഞ്ഞതിനുശേഷം ഒരു വലിയ ക്ഷയി കൊടുക്കാൻ ടീച്ചർ പറഞ്ഞപ്പോൾ എനിക്ക് ഗായിക തലപൊക്കി. അന്നത്തെ ആ അഭിനന്ദനമായിരുന്നു, പിന്നീട് അങ്ങോട്ടുള്ള കലോത്സവ വേദികളിൽ താരമാകാൻ എനിക്ക് പ്രചോദനമേൽ.

വേറെയും കുട്ടികൾ പാട്ടുകൾ പാടി. തുറച്ചുപേർ കരഞ്ഞുകൊണ്ടിരിക്കുകയായിരുന്നു. ലിസ്റ്റി ടീച്ചർ അവരെ ആശ്വസിപ്പിക്കുന്നുണ്ടായിരുന്നു. ഞാൻ ചിത്രയുമായി സന്ധരിച്ചുകൊണ്ടിരുന്ന് സമയം പോയതറിഞ്ഞില്ല. അന്ന് ഉച്ചവരെ ക്ലബ്ബ് ഉണ്ടായിരുന്നുള്ളൂ.

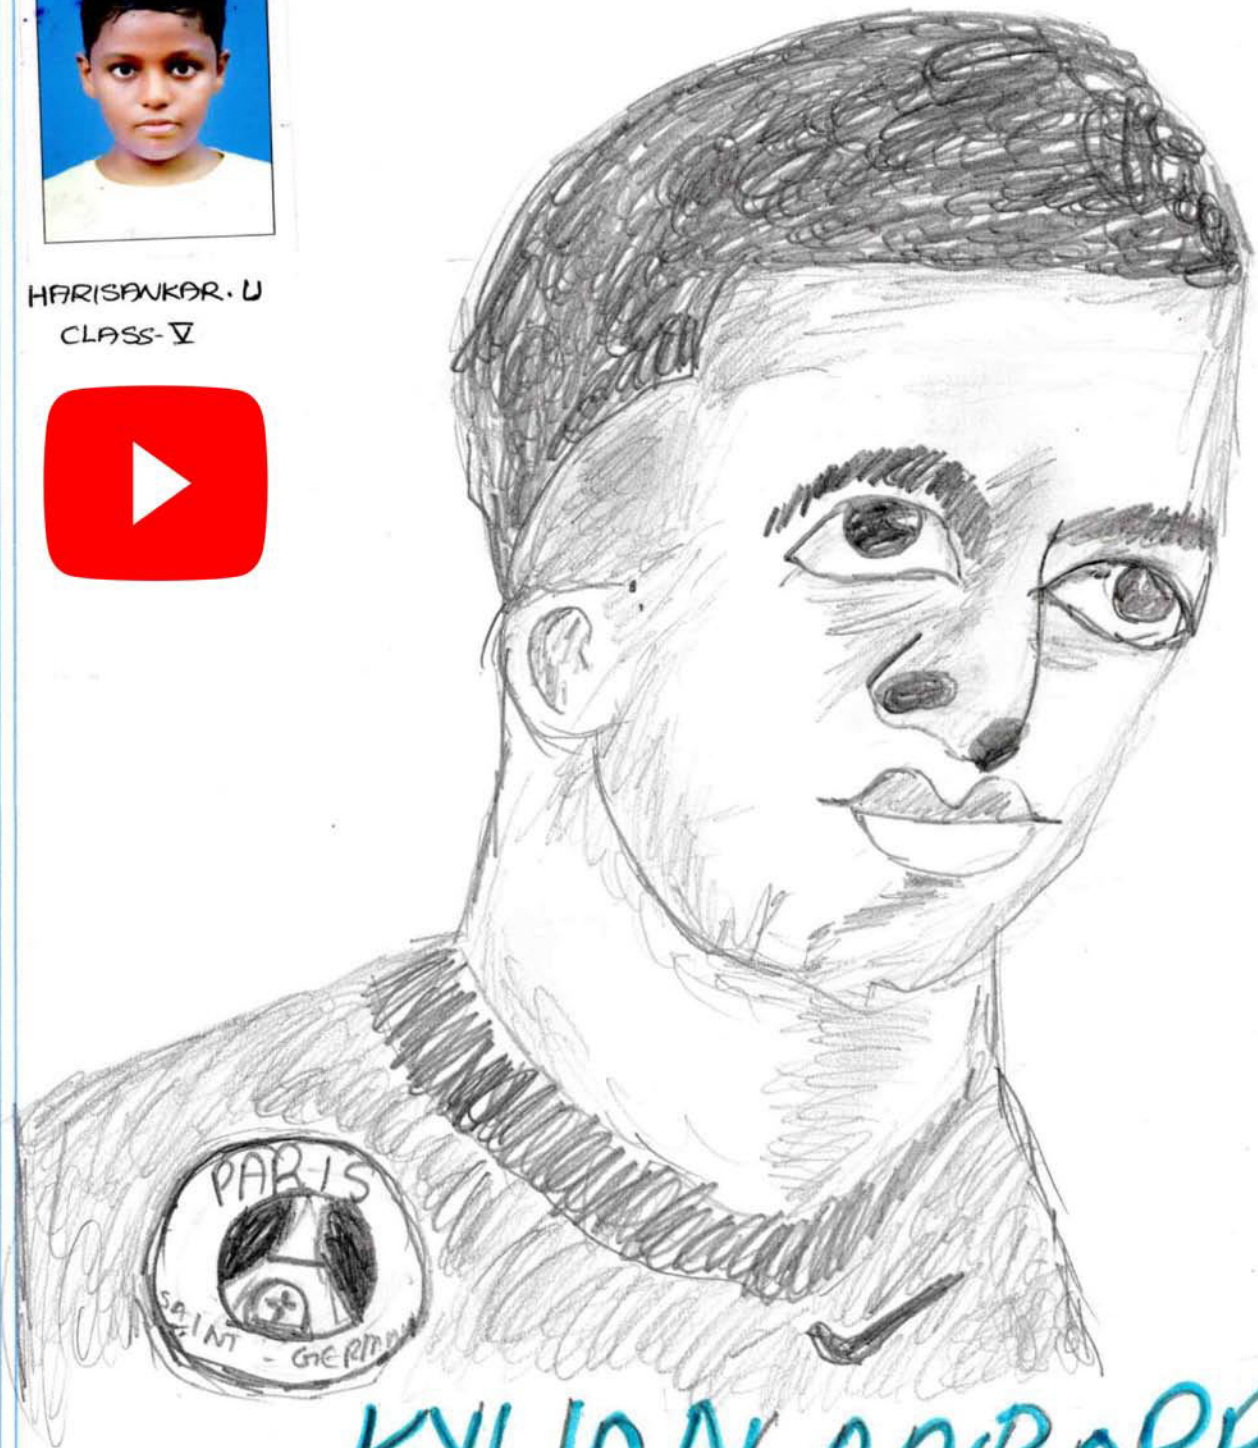

ബെൽ അടിച്ചപ്പോൾ എന്റെ ചാപ്പൻ ഗേറ്റിന്റെ അടുത്ത് കാത്ത് നിൽക്കുന്നുണ്ടായിരുന്നു. ഓടിച്ചെന്ന് അന്ന് ക്ലാസിലുണ്ടായ കാര്യങ്ങളെല്ലാം വിവരിച്ചു കൊണ്ട് ട്രക്കുബോൾ നാളെ ഇങ്ങോട്ട് തന്നെ വരണമല്ലോ എന്ന ചിന്ത മനസ്സിൽ എവിടെയോ കിടക്കുന്നതു പോലെ എനിക്ക് തോന്നി...

When my father planned to build a house. I was so excited and eager to know how it would look. Finally it was done and it was a lot of fun living there but I was sometimes becoming bored even though I had hundreds of toys. One day, I met a nextdoor friend and he has a brother. He was very friendly, we went cycling but slowly I thought I should have a brother. I told my mother about it, mother said that I should pray for it. I wasn't patient that I prayed for days, weeks, months and one day mother said that there was a big surprise for me. At first I thought it was a toy but after thinking for a while I got it. It was a baby in her tummy I was so happy that I jumped all around. But still the baby wasn't coming out. Waiting again, and one day mother was so tired then she called to ask my uncle and

aunt to come. They went to the hospital with my mother. I went to my grand mother's house to go to school. Did mom have any problem? I was so scared. At evening I was back from school to hear that baby was born. I stood still for a while few seconds then asked if it was a girl or a boy. My grand mother told me it was a baby boy. I jumped for joy when I heard that. That night I waited for a taxi to go to the hospital. At the hospital I felt very happy when I saw my baby brother there and the first gift I gave him was a kiss.

My First Trip Halfway Across the Globe

The year was 1973, right after graduating from a Christian college I had the opportunity to travel abroad. Halfway across the globe to an unknown and strange country from the security of home and lovednes, I decided to leave. After the initial excitement of obtaining the visa to travel, for the first time as the date of my travel neared, I began to feel apprehensive and nervous.

We lived in Poona then. Finally, the day arrived to leave my homeland. There was a regular taxi service from Poona to Bombay, now Mumbai. So, we took the taxi service to go to Bombay. My parents, along with my younger sister took me to Bombay International airport. It was raining cats and dogs. We were not sure if we would get to the airport on time. What would normally take four hours to reach, we reached Bombay after six hours. The security was not as strict as it is now. My parents could come and be with me until I left to board the flight. As this was my first experience and difficult for both me and my family, my dad approached one of the passengers, a Malayalee, travelling on the same flight and asked her to watch out for me. Dad asked me to talk to her if I encountered any problems. She was travelling to Milwaukee. We would be together until New York. I was sure to latch on to her like a little child.

We boarded the flight hoping to take off when the rain subsided, but the flight didn't take off until four hours later. We sat in the plane for over three hours. Water started to seep into the cabin of the plane in several spots. I was one of the passengers affected by this leak. I didn't know what I was supposed to do. I spoke to the lady I befriended at the airport and told her my problem. She contacted one of the crew and they changed my seat. This was one of the experiences of a young person travelling alone.

The Government of India had restrictions on how much foreign currency one could take outside the country. Only US \$7.00 was allowed, if one travelled on any other carrier than Air India. Since I was going alone to an unknown place, my father decided that I would travel on Air India and got me US \$100 as a surety to help with my initial expenses when I reached the US. So, this was money I held on to until I was able to get a job and earn my living.

Around 4:00 am our flight took off. Luckily, I did not have to change flights until we reached New York. The plane stopped for refueling in London and passengers were asked to deplane and have breakfast in one of the areas that Air India had arranged. I was introduced to an English breakfast for the first time. As I am not a picky eater, I enjoyed the breakfast. After that we boarded the flight and took off to New York. Unfortunately, I would miss my connection flight to Washington D.C., if my uncle and aunt had not got my reservation changed from Washington, D. C. to Baltimore. As we approached JFK, New York airport, several people's names were called out on the public address system, and I was one of them who had to meet a ground staff. Although I understood English, the terminologies were new to me and challenging.

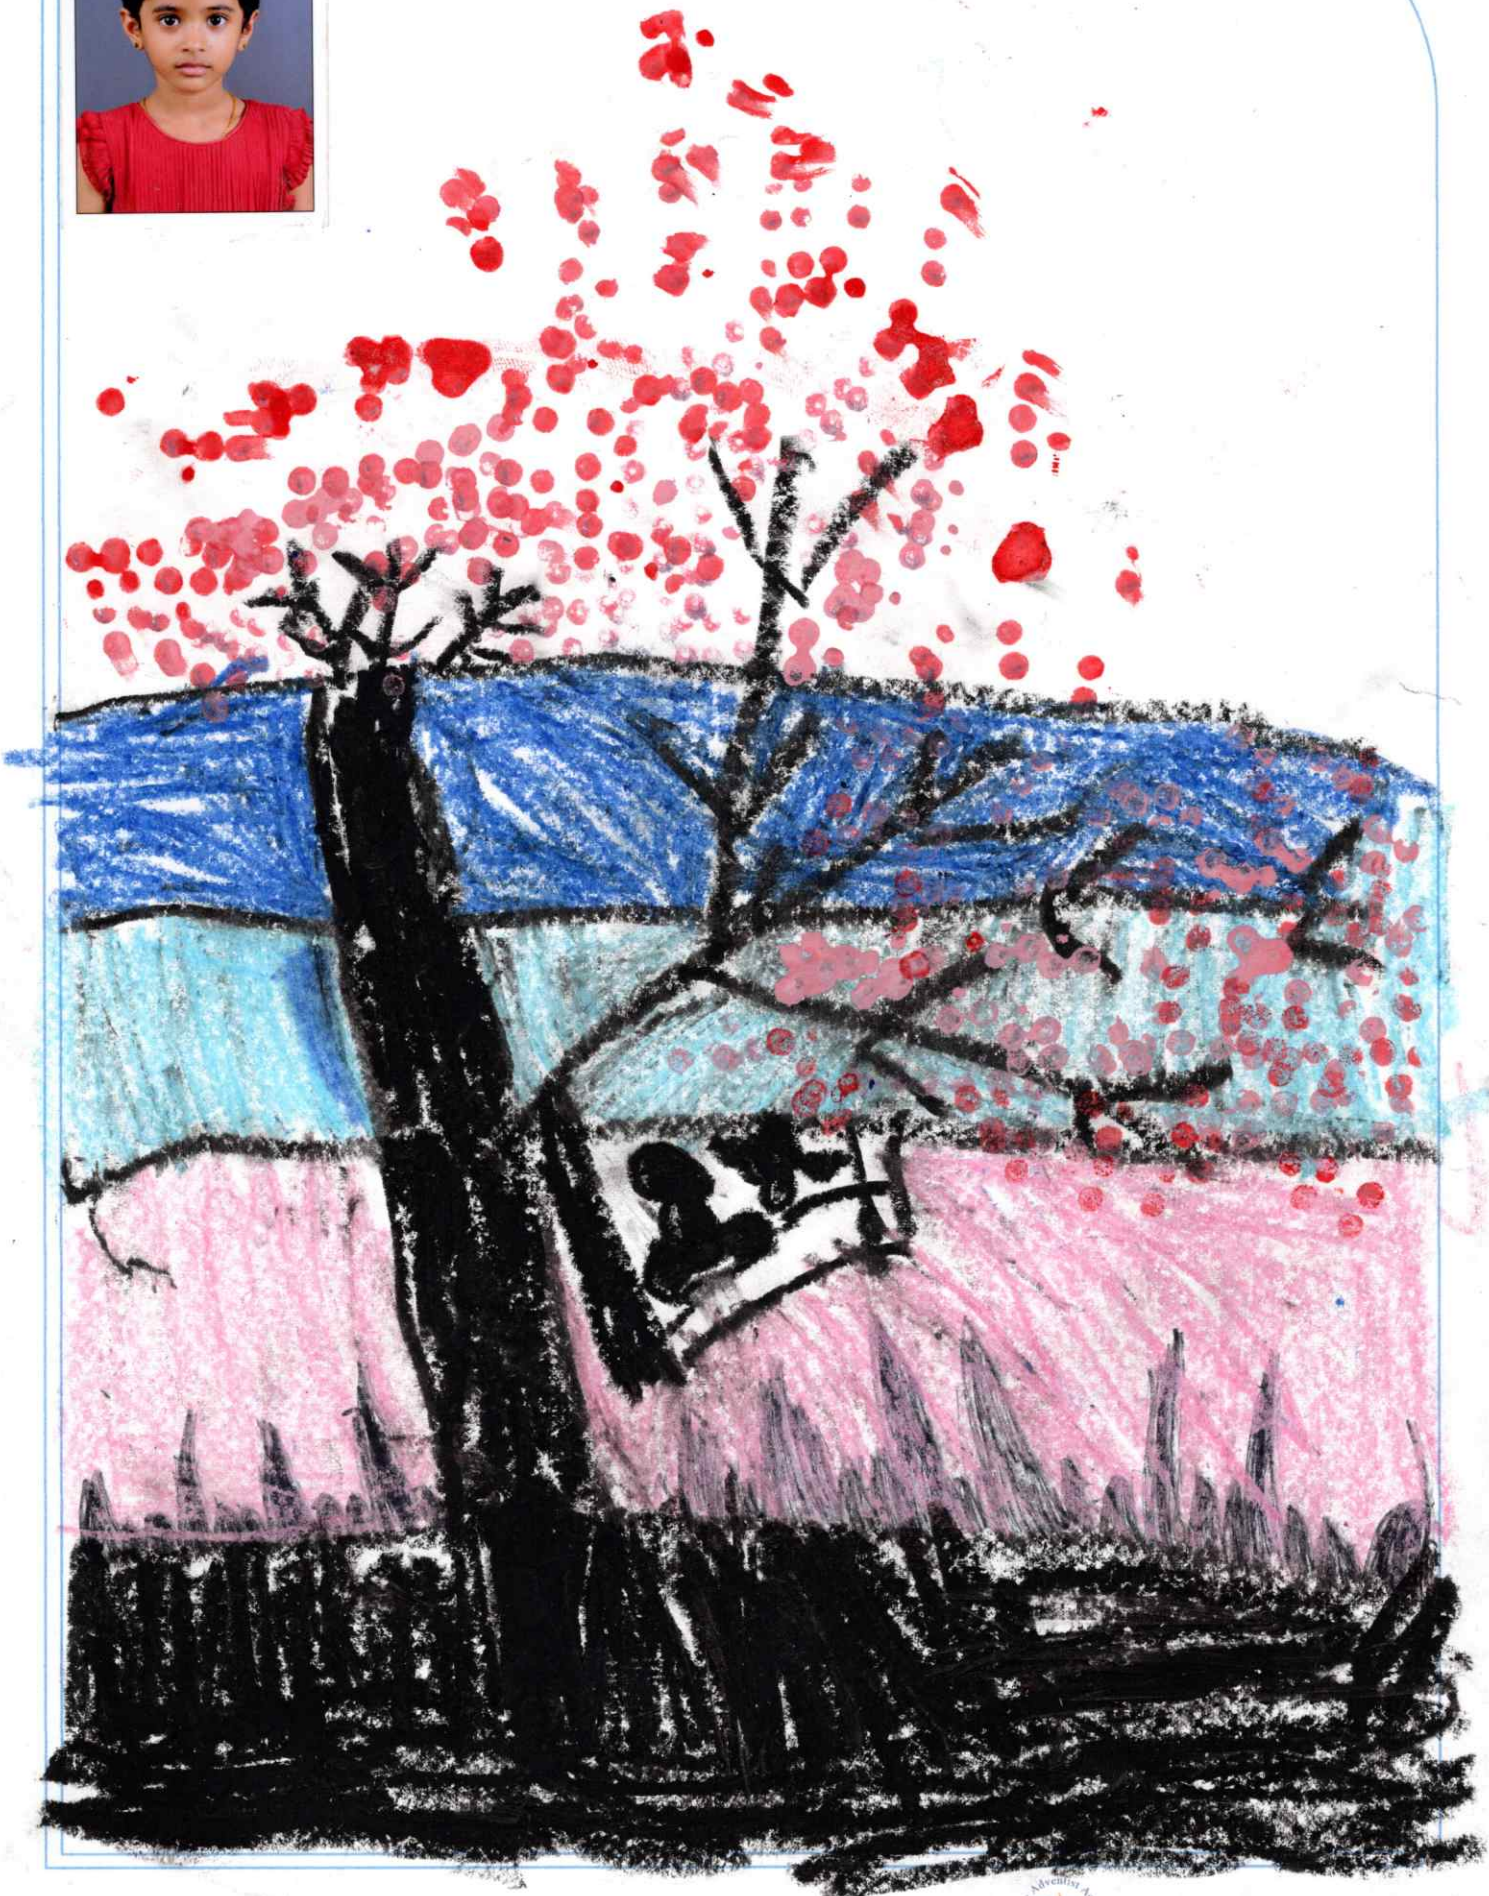

I was asked to go to "gate" 2 and see a ground staff for a message. I was looking for a gate. In my mind a gate is what we have in front of our house, or an entrance to a garden. Finally, it dawned on me what a gate meant in an airport. The ground staff made a phone call and gave the phone to me. My uncle on the other end told me that he

made changes to my flight to Washington D.C., and I am now required to travel to Baltimore airport instead. To get to the counter for the flight to Baltimore, I had to collect my baggage, board a bus to another airport that would allow me to board the flight to Baltimore. By God's grace, this frightened girl got to Baltimore by 8:00 pm and my uncle and aunt were there to receive me. What a relief! I thank God for His guidance and providence throughout my life from childhood until now.

A new chapter of my life started in a new country, U. S. A.

How the Superhero Sisters
save the Day!

Matilda

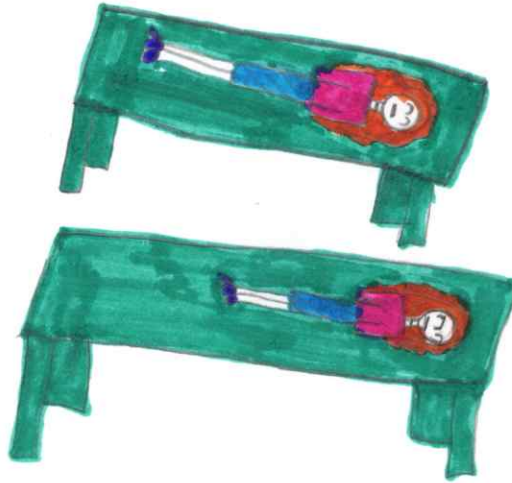

Tina

So first, the two sisters were riding bikes and went to different directions to reach the same spot, both were riding fast and didn't have the control of the bike and collided, nobody was in that street so they lay till the morning and some people found them and were rushed to the hospital.

The doctor said: Their normal form is replaced
by superhero's!

And so, from that day the two sisters were
called 'The Superhero Sisters!'
Everyday they would save people.

Football is known to be the World's most popular game. It is the most loved game in every child's life. Whenever we got time in school, we would rush to playground with a football and have a great match. So here am writing a short story about CRISTIANO RONALDO.

CRISTIANO RONALDO is the most successful footballer in the world. He was born on February 5, 1985 in Portugal in a very poor family. The poverty made his life very hard. His father used to work as a gardener and kitman in a football club on a very low pay. His mother worked as a cook. At an early age Ronaldo played football really well, since.

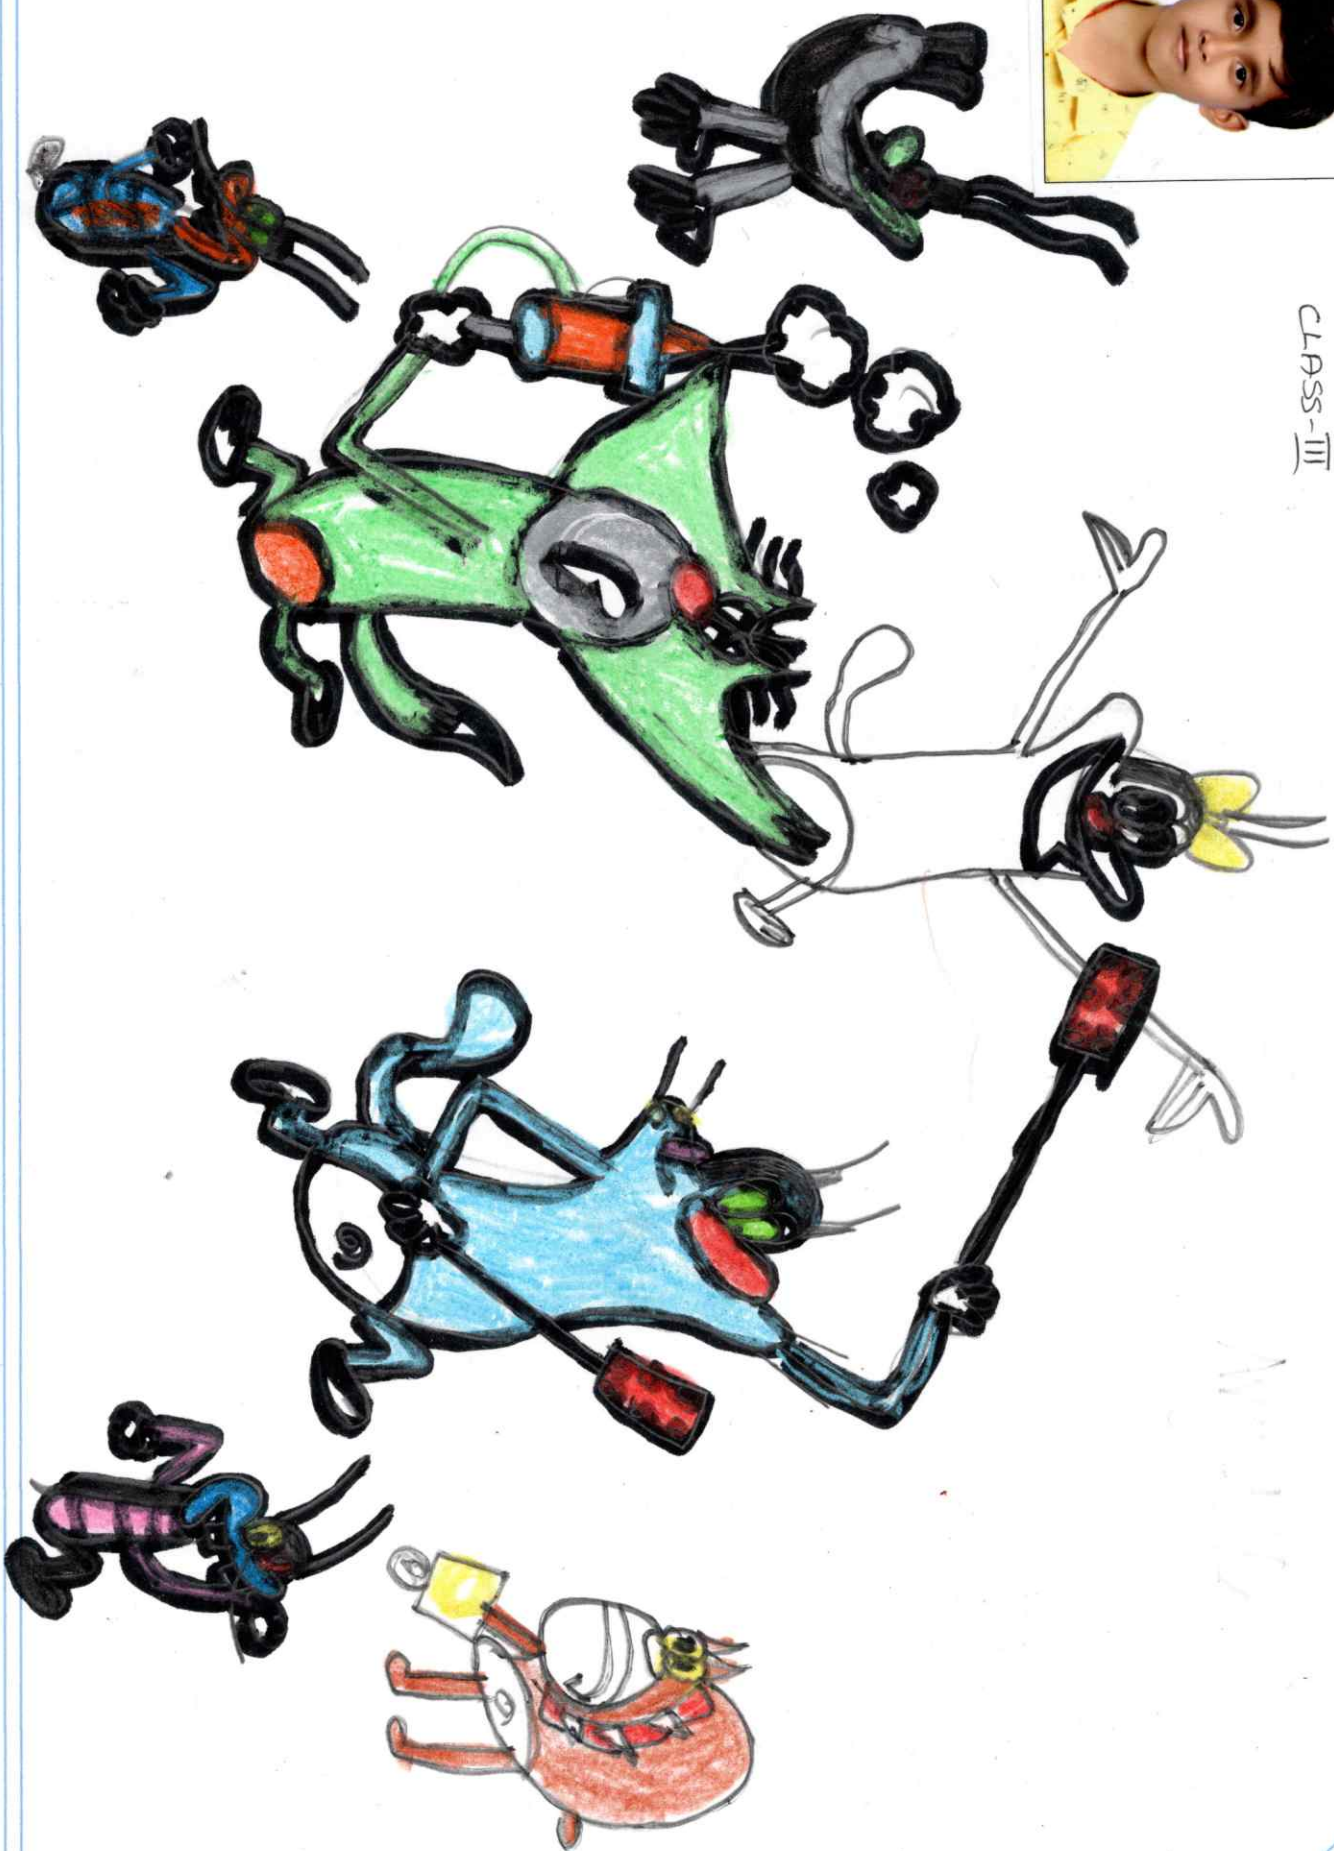

Ronaldo was very passionate about the sports. Unfortunately, at a small age Ronaldo developed a very serious heart condition by name Tachycardia, in which the heart beat increase abnormally.

The Doctors warned him that if he continues to play football, he might face death due to heart failure. But he decided to play football without heart surgery at the age of 15.

Ronaldo again practiced football in the year 2003, he joined Manchester United and the Manager paid him huge money. This deal made Ronaldo very famous and he became one of the most expensive footballer in the world. In 2021, Ronaldo created a World record by scoring the most goals in international football. He won the most prestigious FIFA Ballond Award five times. He was also a very kind hearted person, as he donated billions of dollars to poor and underprivileged people across the world.

THE JOY OF READING

UNCLE MOOSA the Kerala born padma shri awardee shri. Sathyanarayan Mundayoor had his first visit to Kaho, the last Indian village on the China border beyond Walong for a Mini book exhibition.

The Reading programme and exhibition was conducted among the Meyor tribe where the students participated in story telling, recitation and book Quiz.

The Meyor tribe lived in Kaho, which had only a mountain foot-track, the last Arunachal Govt. Circle HQ.

Once uncle Moosa was returning from a programme lost his purse.

Many days later a volunteer from Kaho found the purse and returned it - every

thing untouched! This habit of not taking or stealing items belonging to others has been a unique virtue of the tribal communities of Arunachal. We can learn a lot from them! The habit of Reading changed the character of Meyor tribe, which can bring joy through reading in our life too.

My trip to Hyderabad

RUBEN PHILIP ALEXANDER
CLASS- III

I had a wonderful trip to Hyderabad with my family during Onam Holidays. We travelled by aeroplane to Hyderabad. We stayed at a Hotel.

We visited Nehru Zoological park. It is one of the largest zoos in India. Animals roam freely in a jungle like environment. We saw white tigers, lions, wolfs and many other animals in the zoo. I also saw many types of snakes in the zoo.

Snow World is an amusement park in Hyderabad. Visitors are given protective clothes to enter the park. We played in the snow. It was a chilling experience.

We visited Birla Science Museum. There we went to planetarium and dinosaurium. In the planetarium there were shows explaining about the universe. In the dinosaurium, I saw a big dinosaur skelton. There we saw fossils of dinosaur and their eggs.

We visited Ramoji Film City. We spent one whole day inside the film city. Many films like KGF and Bahubali were made there. There is a butterfly park and a bird park inside Ramoji Film City. Butterfly park has many plants that ~~that~~ provide nectar. The butterflies and birds fly around us freely as we walk through their huge cages.

We spent four days at Hyderabad visiting many places of entertainment and historical importance. It was a very memorable trip for me.

Sister's love

My sister is so cute.
Her cheeks are chubby.
She likes to play with me.
All day long.
When I go to school
She gives me a big hug.
When I come back from school
I like to play with her.
When we walk through the
village my sister runs with me.
Together we draw on the sand.
She makes my life happy.

Animal Planet

Bear

There are eight kinds of bears.

The largest is the polar bear.
Bears are heavily built mammals,

which eat both flesh and plants. Giant pandas
which eat mostly bamboo shoots, are also
bears.

Red Fox

Red foxes eat almost
anything including insects and fish.
The fox springs up and pounces
on its prey like a cat.

In towns and cities, it feeds on scraps
from dustbin and rubbish heaps.

Tiger

Unlike most cats, the tiger does not
mind water. A tiger sometimes pulls its
dead prey near the water's edge, because it
needs to take frequent drinks during a
meal. On average, a tiger consumes about
18 kg (40 lb) of meat a day.

LION

Lions are the only big cats that live in groups, called prides, which may be up to 30 strong. The large male lions protect the prides' territory against other prides. The lions also defend the females against other males.

Zebra

The zebra is the only member of the horse family with stripes. Like horses, zebras are social animals and live together in herds. A zebra can run at about 66 km/h (40 mph) to escape from a predator such as a lion.

Horses
FOR ABOUT THREE THOUSAND YEARS before trains and cars were invented, horses were a fast, efficient method of transport. These swift, graceful creatures are easy for humans to train. They can run or gallop with great speed. A keen sense of smell, good eyesight and sharp hearing mean that they are always alert and ready to flee from danger. Domestic horses are trained to do many jobs, from pulling carts to working in fields.
